- Battery duration with 10 day activations: 3 months
- Connection: Bluetooth 4.0 or higher
- Protection rating: IP 30
- Max. RF output power: 3.4dBm

Description

The motorised cylinder lock, known as Gear, allows for a smart house entrance door. In fact, thanks to the Bluetooth interface, the door can be opened from a Smartphone using the UrmetSclak APP. The Gear is positioned inside the home and is powered by 2 rechargeable batteries. It can be used with Euro or Oval cylinder locks and does not eliminate the mechanical key. The Gear must be used with a double cylinder lock with an inner side protrusion of 3-5mm.

The kit includes:

No. 1 Gear cylinder lock 1086/22

No. 1 Adapter for double Euro cylinder lock 1086/26
