Description

The Bathroom SOS Kit is the solution for emergency alerts in public bathrooms such as schools, clinics, nursing homes, coffee bars, offices.

The device is mandatory in bathrooms for persons with disabilities (Italian Ministerial Decree No 236 of 14 June 1989), and in all public facilities with shared bathrooms.

The kit includes:

- no. 1 indoor terminal with pull cord.
- no. 1 outdoor terminal with sounder and flasher.
